

PLAN 7.3.946
 1-1/2 STOREY
 SF-MAIN 1091
 SF-UP 906
 SF-DOWN 1091 (UNFINISHED)
 WIDTH 38'
 DEPTH 54'

The front detail on this home is second to none. The inviting front porch welcomes you. The three bedrooms upstairs are well defined and private. The living space is nice and open at the rear taking in all of the views and sights at Wilden. Finish off the basement for over 3000 square feet.
